

Exclusive Website Offer:

Begin your year on the right foot with an exclusive website offer. Your feet are often the cause of chronic aches and pains in knees, hips and your back. Dr Cherye uses "GaitScan", the very latest computer technology in NZ, to evaluate your Gait pattern. With over 20+ yrs experience in Orthotic Therapy, Dr Cherye can help you find the solution to the underlying problem rather than simply treating the symptom/s.

Call today to book your 1 hour GaitScan Evaluation.

(Regular fee reduced from \$150 to just \$75 when you present this voucher)

\$75 Gift Certificate*

**Gives you a 50% saving
off your appointment fee in 2014.**

*Only 1 Certificate per patient. Certificate not exchangeable for cash.
